PORT CALL USS ARKANSAS - LIMITED TOURS SPECIAL EVENTS

The nuclear powered guided-missile cruiser USS Arkansas steams into Monterey Bay October 29 for a three-day port visit to take part in Monterey's dedication ceremonies of the Monterey Maritime Museum and Historical Center.

The 581-foot, 11,000 ton ship is based in Alameda and carries a crew of 600.

As part of the museum dedication ceremonies, the Arkansas will mark the finish line for a parade of ships through Monterey Bay, beginning at 11 a.m. on October 31, that will include the tall ships Californian and Hispaniola. Gun salutes will be exchanged.

Various special events take place at Stanton Center (location of the museum) following the parade of ships, including a Marine Corps silent drill team performance, flag ceremony and the commanding officer of the Californian being rowed ashore in 1850's period uniform. Local high school bands will be providing free entertainment as well.

Four tours to the Arkansas are available on October 31. Sign-up sheets are located in the Public Affairs Office, or you can call 646-2023. No one under 8 years of age will be allowed without Coast Guard approved life vests.

Several recreational events are planned for the crew.

CONSTRUCTION CLOSÉS PARKING LOT 'R' TEMPORARY PARKING AVAILABLE AT P.W. LOT

Due to construction of the new engineering building, Parking Lot "R" and West Road behind Halligan Hall will be closed beginning October 23.

Seventy-five parking spaces will be available at the north end of Lot "R" from October 23 until December 1; when the remaining portion of Lot "R" will undergo rework of underground utilities and parking lot renovation.

As an interim measure, 59 parking spaces will be made available on a temporary basis at the public works transportation parking Lot "V," adjacent to the softball field along with 50 additional spaces in Parking Lot "K" east of the student study carrels in buildings 223 and 224. Upon completion of the

library construction in mid-November, 65 spaces in Parking Lot "Q" east of the library will be re-opened and the Public Works lot will return to use by Public Works vehicles.

Parking lots "J", west of Ingersoll Hall, and "Q1," west of the library, must be vacated before 6 p.m. each day due to the closure of West Road. An automatically operated gate is planned to permit night exit from these parking areas. Until the contractor installs this gate, these parking lots must be vacated before 6 p.m. or special arrangements must be made with security to exit after 6 p.m.

EMPLOYEE IDEAS BENEFIT FOR THE NAVY

The Department of the Navy Suggestion Program is designed to recognize employees or groups of employees for ideas that benefit the DoN through cost avoidance or cost savings.

To recognize a suggestion, it must be submitted no later than one year after implementation of the idea. The program operates on the assumption that employees are closest to their work and, therefore, in the best position to find new and better ways to improve it. Civilian employees are encouraged to look around the workplace for ideas.

A suggestion will be considered if the contribution is a constructive proposal. Here are a few tips to help:

- * *Concentrate on what you do best.*
- * *Pick a situation that needs improvement.*
- * *Get all the facts, then analyze them.*
- * *Turn loose your imagination.*
- * *Evaluate your ideas with your supervisor.*
- * *Write your suggestion and identify any savings in time, labor, equipment, material, space and money.*

Submit your suggestion on form OPNAV 5305/1 (5-80) to CPO, Code 2124 or call Martha Ramirez, extension 3277, for more information.

HELPING HANDS GIVING WAGONS

Round 'em up. Move 'em out. The Giving Wagons are back.

The fifth annual Giving Wagon food drive will get under way Saturday, November 7. Volunteers will be bringing their wagons door-to-door through La Mesa to collect canned or dried foods, paper goods, baby products or personal hygiene items between 9 and 11 a.m.

The Giving Wagon was created four years ago by the OSSC to help feed the hungry and homeless of Monterey. It has been a huge success in the past. The thousands of cans of food and other items collected enabled local shelters to stock their pantries and feed hundreds of people for over a week during the busy holiday season.

If you're moving in December, don't forget to save any canned foods or non-perishable items. If you won't be home during the food drive on November 7 you may leave your donation in a paper bag

SPORTS/REC

ARMY/NAVY

FLAG FOOTBALL

In the second annual Army/Navy flag football game played last December the numerically inferior Army contingent upset the Navy by scoring on the opening drive. Army dominated the remainder of the game.

Were it not for the Navy's three key interceptions deep within their own territory, the Army juggernaut would have devastated the Navy team.

Can the Navy muster a few good men to accept this year's challenge for the 3rd annual game?

Interested Naval officers should contact Jeff Masterson at extension 2116 or 373-7917. Army officers should contact Steve McKinney at extension 2772 or 375-1121.

CAPTAIN'S CUP HOOPLA: Eric Doorenbos (4) of FNOC grapples with Darrel Sinclair of NTCC during the second half of last week's Captain's Cup basketball game. NTCC went on to post the early-season win, 41-30.

For those of you who do not live in La Mesa and wish to contribute, there will be a donation box outside of the Navy Exchange convenience store from October 30 through November 6.

There will also be a donation box outside of the convenience store in La Mesa and anyone who wishes may drop off their donations the day of the event from 9 to 11 a.m.

Besides the usual canned foods, non-perishables that don't require cooking are needed at the shelters. These may include peanut butter, canned fruits or stews. Rice, toothpaste, toilet paper and diapers are needed at the shelters.

For more information on helping to collect donations or to lend a wagon call Cathy Stark at 646-9313, Denise Byrnes 646-9763 or Laura Dorko at 372-0714.
